

# Day 70 — TNPSC Group 2A Study Material

---

## Part A – General Studies: Current Affairs in Indian Economy & TN Dev. Admin. (3): Union Budget 2026-27 & TN Industrial Investments

### READING MATERIAL

*Covers the Union Budget 2026-27's key new schemes and Tamil Nadu's recent industrial investment milestones — the 'TN Dev. Admin.' half of this unit.*

**Q:** When was the Union Budget 2026-27 presented, and by whom?

**A:** 1 February 2026, by Finance Minister Nirmala Sitharaman.

**Q:** What is 'Biopharma SHAKTI', announced in Budget 2026-27?

**A:** A scheme with an outlay of ₹10,000 crores over 5 years, aiming to develop India as a global Biopharma manufacturing hub. SHAKTI stands for Strategy for Healthcare Advancement through Knowledge, Technology and Innovation.

**Q:** What is the Coastal Cargo Promotion Scheme's target, announced in Budget 2026-27?

**A:** To raise the share of inland waterways and coastal shipping in India's cargo movement from 6% to 12% by 2047.

**Q:** What are 'City Economic Regions (CER)', as announced in Budget 2026-27?

**A:** An urban-development initiative with ₹5,000 crore allocated over 5 years, implemented through a 'challenge mode' with reform-cum-results-based financing for city economic regions.

**Q:** How much industrial investment commitment did Tamil Nadu secure in 2025, and through how many MoUs?

**A:** ₹2.07 lakh crore, through over 270 Memoranda of Understanding (MoUs) with domestic and global companies, spanning manufacturing, electronics, aerospace, defence, logistics, and IT.

**Q:** What major aerospace investment did Tamil Nadu secure in September 2025, and where?

**A:** A Maintenance, Repair, and Overhaul (MRO) facility and research centre from Rolls-Royce, in Hosur, boosting TN's aerospace sector.

**Q:** What major port-infrastructure allocation did the Government of India announce for Tamil Nadu on 6 September 2025?

**A:** Over ₹93,000 crore (~US\$11.2 billion) for major port-infrastructure projects in Tamil Nadu.

### MOCK TEST (WITH ANSWERS)

1. The Union Budget 2026-27 was presented on:

A. 1 January 2026

**B. 1 February 2026 ✓**

C. 1 March 2026

D. 1 April 2026

*Explanation:* 1 February 2026. [medium, web-research]

2. 'Biopharma SHAKTI', announced in Budget 2026-27, has an outlay of:

A. ₹5,000 crores over 5 years

**B. ₹10,000 crores over 5 years ✓**

C. ₹15,000 crores over 5 years

D. ₹20,000 crores over 5 years

*Explanation:* ₹10,000 crores over 5 years. [hard, web-research]

3. The Coastal Cargo Promotion Scheme aims to raise inland waterways/coastal shipping's cargo share to \_\_\_\_ by 2047.

A. 8%

B. 10%

**C. 12% ✓**

D. 15%

*Explanation:* 12% (from the current 6%). [hard, web-research]

4. Tamil Nadu secured industrial investment commitments of how much in 2025?

- A. ₹1.07 lakh crore
- B. ₹1.50 lakh crore
- C. ₹2.07 lakh crore ✓**
- D. ₹3.07 lakh crore

*Explanation:* ₹2.07 lakh crore. [medium, web-research]

5. Rolls-Royce's MRO facility and research centre announced in September 2025 is located in:

- A. Chennai
- B. Coimbatore
- C. Hosur ✓**
- D. Tiruchirappalli

*Explanation:* Hosur. [medium, web-research]

6. On 6 September 2025, the Government of India announced a port-infrastructure allocation for Tamil Nadu of over:

- A. ₹50,000 crore
- B. ₹70,000 crore
- C. ₹93,000 crore ✓**
- D. ₹1,00,000 crore

*Explanation:* Over ₹93,000 crore. [hard, web-research]

## Part B – Aptitude & Mental Ability: Simple Interest

### READING MATERIAL

*Simple Interest is 1 of 10 named Aptitude sub-skills. Real exam evidence shows TNPSC favors word-problem variants (doubling time, comparing two loans, fractional rates with month-based time) over the bare 'calculate SI' formula alone.*

**Q:** Formula: What is the Simple Interest formula, and how do you get the doubling time from it?

**A:**  $SI = (\text{Principal} \times \text{Rate} \times \text{Time}) / 100$ . A sum **DOUBLES** when SI equals the Principal itself:  $P = (P \times R \times T) / 100 \rightarrow T = 100/R$  years. So at 8% per annum, doubling time =  $100/8 = 12.5$  years = 150 months.

**Q:** Real exam (2024): In how many months will Rs.2,000 double itself at 8% per annum simple interest?

**A:**  $T = 100/R = 100/8 = 12.5$  years =  $12.5 \times 12 = 150$  months.

**Q:** Real exam (2022): What is the simple interest on Rs.1,000 for one year at 10% per annum?

**A:**  $SI = (1000 \times 10 \times 1) / 100 = \text{Rs.}100$ .

**Q:** Real exam (2024): Find the simple interest on Rs.68,000 at  $16\frac{2}{3}\%$  per annum for 9 months.

**A:** Convert the mixed-fraction rate:  $16\frac{2}{3}\% = 50/3\%$ . Convert months to years: 9 months =  $9/12 = 3/4$  year.  $SI = 68,000 \times (50/3) \times (3/4) / 100 = 68,000 \times 12.5/100 = \text{Rs.}8,500$ . (The 3s cancel neatly between the rate's denominator and the time's numerator — recognizing that shortcut avoids messy fraction arithmetic.)

**Q:** Real exam (2025): A borrows Rs.16,000 at 12% p.a. simple interest, B borrows Rs.12,000 at 18% p.a. simple interest. In how many years will their total amounts owed (principal+interest) become equal?

**A:** Set up the equality:  $16000 + 16000(0.12)t = 12000 + 12000(0.18)t \rightarrow 16000 + 1920t = 12000 + 2160t \rightarrow 4000 = 240t \rightarrow t = 16\frac{2}{3}$  years.

**Q:** Method — finding the rate when given principal, time, and final amount: A sum of Rs.5,000 becomes Rs.6,200 in 3 years at simple interest. Find the rate.

**A:**  $SI = \text{Amount} - \text{Principal} = 6200 - 5000 = 1200$ . Rearranged formula:  $R = (SI \times 100) / (P \times T) = (1200 \times 100) / (5000 \times 3) = 120000/15000 = 8\%$  per annum.

### MOCK TEST (WITH ANSWERS)

1. In how many years will a sum double itself at 5% per annum simple interest?

- A. 10 years
- B. 15 years
- C. 20 years ✓**
- D. 25 years

*Explanation:*  $T = 100/R = 100/5 = 20$  years. [easy, authored]

2. Find the simple interest on Rs.2,500 for 1 year at 12% per annum.

- A. Rs.250
- B. Rs.275
- C. Rs.300 ✓**
- D. Rs.320

*Explanation:*  $SI = (2500 \times 12 \times 1) / 100 = \text{Rs.}300$ . [easy, authored]

3. Find the simple interest on Rs.54,000 at  $13\frac{1}{3}\%$  per annum for 6 months.

- A. Rs.3,600 ✓**
- B. Rs.3,000
- C. Rs.3,300
- D. Rs.4,000

*Explanation:*  $13\frac{1}{3}\% = 40/3\%$ . 6 months =  $1/2$  year.  $SI = 54000 \times (40/3) \times (1/2) / 100 = 54000 \times 40/600 = 54000 \times (1/15) = 3,600$ . [hard, authored]

4. C borrows Rs.20,000 at 10% p.a. simple interest, D borrows Rs.15,000 at 15% p.a. simple interest. In how many years will their total amounts owed become equal?

- A. 8 years
- B. 10 years

**C. 20 years ✓**

D. 25 years

*Explanation:*  $20000 + 2000t = 15000 + 2250t \rightarrow 5000 = 250t \rightarrow t = 20$  years. [hard, authored]

5. A sum of Rs.8,000 becomes Rs.9,440 in 3 years at simple interest. Find the rate per annum.

A. 5%

**B. 6% ✓**

C. 6.5%

D. 7%

*Explanation:*  $SI = 9440 - 8000 = 1440$ .  $R = (1440 \times 100) / (8000 \times 3) = 144000 / 24000 = 6\%$ . [medium, authored]

6. What sum will yield Rs.900 as simple interest in 3 years at 6% per annum?

A. Rs.4,000

**B. Rs.5,000 ✓**

C. Rs.5,500

D. Rs.6,000

*Explanation:*  $P = (SI \times 100) / (R \times T) = (900 \times 100) / (6 \times 3) = 90000 / 18 = \text{Rs.}5,000$ . [medium, authored]

## Part C – General English: Technical Terms: Official Correspondence (Government Order Passages)

### READING MATERIAL

A Government Order (G.O.) is the standard form of official written correspondence by which the Tamil Nadu Government announces, sanctions, or directs an action. TNPSC tests this topic by giving a short G.O. passage and asking direct comprehension questions about its content (what, when, who, how much, how often). Two real G.O. passages are reproduced below for practice.

**Q:** G.O. No. 58 (dated 12.03.2024) passage: "The Government of Tamil Nadu has decided to implement a new initiative called 'Namma Ooru Clean Project' to promote cleanliness and sanitation in urban and rural areas. The project will be launched in all districts from 1st April 2024. Every municipality and panchayat shall appoint sanitation officers to oversee the project's implementation. Separate funds will be allocated to each district based on population and area. Monthly review meetings will be conducted at the district level, and sanitation awareness camps will be organized in schools and public places. The Department of Municipal Administration and Water Supply will monitor the entire execution of the project." — What is the project's name, its launch date, and which department monitors it?

**A:** Name: 'Namma Ooru Clean Project'. Launch date: 1st April 2024 (all districts). Monitoring department: Department of Municipal Administration & Water Supply.

**Q:** From the same G.O.: who is appointed to oversee implementation at the local level, and how are funds allocated?

**A:** Sanitation Officers are appointed by every municipality and panchayat. Funds are allocated to each district based on BOTH population AND area (not population alone, and not equally).

**Q:** From the same G.O.: how often are review meetings held, where are awareness camps organized, and is the project urban-only?

**A:** Review meetings: MONTHLY, at the district level. Awareness camps: in schools and public places. The project covers BOTH urban and rural areas, not urban areas only.

**Q:** G.O. No. 245 (dated 15.05.2024) passage: "The Government of Tamil Nadu has sanctioned the launch of the 'Water Conservation and Management Initiative' aimed at addressing the growing water scarcity issues in both urban and rural areas of the state. This initiative includes the installation of rainwater harvesting systems in all government buildings, schools, and public institutions within the next 12 months..." — What is this initiative's main objective, and where will rainwater harvesting systems be installed?

**A:** Main objective: to address water scarcity. Rainwater harvesting systems will be installed in ALL government buildings, schools, and public institutions (not restricted to rural, private, or urban buildings only).

**Q:** From the same G.O.: who leads the oversight task force, what is the initial budget, and how often must local bodies report progress?

**A:** A Water Conservation Task Force is created under the Department of Environment and Forests. Initial budget: ₹50 crores for the current financial year. Local bodies (municipalities and panchayats) must submit progress reports MONTHLY.

### MOCK TEST (WITH ANSWERS)

1. As per G.O. No. 58, what is the name of the project?

- A. Swachh Bharat
- B. Clean City Campaign
- C. Namma Ooru Clean Project ✓**
- D. Tamil Nadu Sanitation Scheme

*Explanation:* Namma Ooru Clean Project. [easy, web-research]

2. When will the Namma Ooru Clean Project be launched across districts?

- A. 1st March 2024
- B. 1st April 2024 ✓**
- C. 15th April 2024
- D. 1st May 2024

*Explanation:* 1st April 2024. [medium, web-research]

3. Which department is responsible for monitoring the Namma Ooru Clean Project?

- A. School Education Department
- B. Panchayat Union
- C. Department of Health
- D. Department of Municipal Administration & Water Supply ✓**

*Explanation:* Department of Municipal Administration & Water Supply. [medium, web-research]

4. How will funds be allocated to districts under the Namma Ooru Clean Project?

- A. Equally
- B. Based on population only
- C. Based on need

**D. Based on population and area ✓**

*Explanation:* Based on population and area. [medium, web-research]

5. How often will review meetings be conducted under the Namma Ooru Clean Project?

- A. Weekly
- B. Bi-weekly
- C. Monthly ✓**
- D. Quarterly

*Explanation:* Monthly. [easy, web-research]

6. Is the Namma Ooru Clean Project limited to urban areas only?

- A. Yes
- B. No, it covers both urban and rural areas ✓**
- C. Only Chennai
- D. Only tier-1 cities

*Explanation:* No, covers both urban and rural areas. [easy, web-research]

7. On which date was G.O. No. 58 (Namma Ooru Clean Project) issued?

- A. 12.02.2024
- B. 01.03.2024
- C. 15.03.2024
- D. 12.03.2024 ✓**

*Explanation:* 12.03.2024. [hard, web-research]

8. What is the main objective of the 'Water Conservation and Management Initiative' (G.O. No. 245)?

- A. Increase water usage
- B. Address water scarcity ✓**
- C. Promote urbanization
- D. Build new reservoirs

*Explanation:* Address water scarcity. [easy, web-research]

9. Where will rainwater harvesting systems be installed as per G.O. No. 245?

- A. Only in rural areas
- B. Only in private buildings
- C. In all government buildings, schools, and public institutions ✓**
- D. Only in urban areas

*Explanation:* In all government buildings, schools, and public institutions. [medium, web-research]

10. Under G.O. No. 245, which department leads the Water Conservation Task Force?

- A. Department of Municipal Administration & Water Supply
- B. Department of Environment and Forests ✓**
- C. Department of Agriculture
- D. Department of Rural Development

*Explanation:* Department of Environment and Forests. [medium, web-research]

11. What is the initial budget sanctioned under G.O. No. 245 for the current financial year?

- A. ₹25 crores
- B. ₹50 crores ✓**
- C. ₹75 crores
- D. ₹100 crores

*Explanation:* ₹50 crores. [medium, web-research]
